

COMPT 76-2155

MEMORANDUM FOR: Secretary, Executive Advisory Group

FROM: F. W. M. Janney
Director of Personnel

SUBJECT: Promotion Policy

REFERENCE: Minutes of the 29 Oct 76 EAG Meeting, Item 2d.

On 29 October 1976, the Executive Advisory Group asked the Office of Personnel to draft its proposed guidance on promotion policy. After some reflection, it seemed that the appropriate way to do this was to revise the current regulation on promotions, which in many respects antedated the present post-PASG system of personnel evaluation. Accordingly, our proposals for revised regulations are attached. The process of translating the policy guidelines into procedures within the Career Services will take some time but can begin immediately after EAG approval.
